

TOP SECRET

CT & DDS&T
16 April 1979

Extract(s) from the Staff Meeting Minutes of 13 April 1979:

The Director thanked and complimented [] on the latest paper on [] options. He noticed, however, a difference between [] and Dr. Perry's views regarding []. He asked that [] coordinate with Defense on all the technical details and iron out any discrepancies as soon as possible. The Director pointed to the need to prepare a paper which clearly describes the [] alternatives for distribution to the Community. (Action: CT and DDS&T) []
